

FALL TRAINING SCHEDULE WITH JEFF WIDMARK  
 PRESCHOOL - 4th GRADE  
 LTSC FIELD 11 (OUTDOOR)

Please have your team with as many coaches as can make it at field 11 at your assigned time. The kids should wear warm enough clothing with their team jersey on the outside, shin guards, bring a pumped ball and something to drink. We will be focusing on fun games to improve their footskills, ball striking and 1v1. We will not be focusing on team play/positions. When you arrive there will be small fields set up to begin scrimmages as your players arrive. Just make teams and start playing with no coaching. I will begin the session at about 10 minutes after the start time. Thank you for participating!
