Dear Community Business owner,

We are reaching out to you again this year for your continued support of **over 3000 families we serve in our community.**

The Greater Libertyville Soccer Association (GLSA) is continuing its sponsorship campaign to raise the necessary funds to continue to provide the quality soccer programs for which our club is known throughout the state. The GLSA is a non-profit, 501 (c) (3) volunteer-based organization whose primary purpose is to offer soccer programs to players of a variety of levels and interests.

Community support has allowed us to...

- Develop our program to host several annual tournaments and attract 10,000 athletes and 50,000 spectators to our community to share the love of sport and benefit local businesses
- Create opportunities for adult, recreational, competitive and special needs leagues for over 4,000 children and adults in our area
- Provide need based scholarships to area participants at both the recreational and competitive levels of play

It is an exciting time for GLSA—our growth and diversity has enabled us to reach out and meet the needs of players at all levels, and become the largest youth soccer club in Illinois, utilizing one of the most highly regarded facilities in the state. Once again, we will highlight our sponsors list on the GLSA website, www.glsa.org. Please check out the “Friends of GLSA” link on our newly redeveloped website. The GLSA website is the primary source of GLSA game and practice information for our parents, players, and coaches. .

We are asking for your support so that we may continue to bring these quality soccer programs to the Libertyville community. Please take a look at the following information and consider becoming a GLSA sponsor.

Your participation will not only give exposure of your business to the tens of thousands of visitors who visit our venue on an annual basis, but it will also directly benefit the thousands of young and old soccer athletes right here in our community.

In the information that follows, you will find details about our many programs and a variety of ways you can offer assistance.

On behalf of the GLSA, thank you, in advance, for your support. Please contact Michael Zovistoski at (847) 367-1035, ext 102 for further information. We look forward to hearing from you soon.
