

## Greater Libertyville Soccer Association

Providing and promoting a positive soccer experience for every participant appropriate to their level of interest and ability since 1974

### **Program Details - U8 Teams**

GLSA truly values the development of the total soccer player and it shows through our player development curriculum, which focuses on teaching a player that having solid technical fundamentals will carry a player through their playing years. All players must be committed to attending training and games, as well as developing skills on their own. Players will be placed on teams based on their technical, tactical, mental and physical soccer abilities and will be assessed by the GLSA Professional Coaching staff during the tryout procedure.

### **GLSA U8 Boys & Girls**

**All GLSA trainings and games are covered by a professional staff coach**
